Dear Mr. Tronoski:

Please express our sincere thanks to the Fox Heath Community for the collection of food during their multi-family yard sale, and for the delivery of that food. It is only through caring individuals such as you and the Fox Heath Community that the Food Pantry is able to help so many families in need.

We are now seeing families who previously had gotten 'back on their feet' three or four years ago, and are now in need of the Pantry again. We have seen many more families where a wage earner has lost their job and are now struggling to keep their house. Many families have no medical benefits and must choose between food or doctor appointments and medication. The food these families receive at this Pantry makes a difference in not only what a family may eat, but whether they will eat at all.

"Our shelves, cupboards, crates and 'granaries' are consistently on the verge of emptiness. And yet we have not had to turn away a single family because we had no food. God's power is made perfect in our weakness."

It is truly a blessing to know that people want to reach out to others in their time of need, and the support we have received from the community is a real indication of that.

Again, thank you for your support.

Yours in Christ,

Loretta and Joel Stever
